BOOK CLUB DISCUSSION GUIDE

01

What's your 3-5 year vision for your memory keeping?

02

What would it look like to bring more courage to your scrapbooking?

03

Do you struggle to focus on one project at a time?

04

How can you use chunking, linking, and sequencing to approach projects differently?

05

Is the 5 Projects Rule similar or different to how you currently approach your competing priorities?

06

Have you ever tried time blocking? What worked and what didn't for you?

07

How can you lean into your GATES, or what you are already good at, to plan your creative projects?

08

How can you use batching or stacking more often in your scrapbooking process?

09

What way do your memory keeping projects typically get stuck: cascade, logjam, or tarpit?
